The True Name

In this pamphlet we are using the correct Hebrew NAME and TITLE of the Heavenly Father, YAHWEH. Below we are listing the incorrect TITLES and NAMES used by Christendom and various religions and also the correct NAME and TITLE of the Heavenly Father.

INCORRECT TITLES AND NAMES USED BY CHRISTENDOM

God - Father - 1st Person Jesus Christ - Son - 2nd Person Holy Ghost - ? - 3rd Person

CORRECT NAME AND TITLE OF THE HEAVENLY FATHER

Yahweh - Father Elohim - Word or Son Yahshua - Holy Spirit (or Ghost)

The True Name of our Heavenly Father, YAHWEH, is derived from the Tetragrammaton Y H W H, with the A and E added to transliterate it pronounceable in the English Language.

There never was a (J) in the Hebrew Language, neither was there a (J) in any language until the Middle Ages; therefore, such names as Jehovah and Jesus are impossible renderings of the True Name of the Father and Son. Jehovah is a misapplication of the name of the Heavenly Father, dating back to 1270 A.D. by adding the vowels taken from the name Adonai (Adonai means Lord or Baal) to the consonants (J H V H).

We are using two versions of the Holy Bible: King James Version (KJV) and the Holy Name Bible (HNB). The Holy Name Bible, revised by the late A.B. Traina, The Scripture Research Association, Inc., 14410 South Springfield Road, Brandywine, Maryland 20613.

The Truth About Pollution

Introduction

Let us state at the outset that it is absolutely appalling to witness the great abundance of ignorance that is in the world in regard to all facets and workings of the Purpose and Plan of Yahweh our Heavenly Father. Men are groping around in spiritual darkness in the broad daylight as if they did not have the light of the sun to guide their feet and had never heard of wisdom and knowledge.

Such is the situation in regard to the matter of Spiritual Pollution as typified by the pollution of our air, water and land which is now one of the gravest problems that ever faced mankind, not only in the United States, but in all other areas of the world. Whereas, we all have had the threat of thermonuclear and atomic warfare hanging over our heads for twenty-five years and feverishly tried to settle our differences so as to avert such as catastrophe or holocaust, we are now face to face with another problem which threatens to annihilate us just as assuredly but not as mercifully as a hydrogen bomb whose effect would be rather swift and sudden. The breathing of foul air and the drinking of contaminated waters, the taking of pills and dope and the corruption of our land would bring about a slower and more agonizing death. Thus our President and Congress have put the matter of pollution foremost on their list of problems that must be handled now, that is, if mankind is going to continue to exist on the face of the earth. These early problems of pestilences and earthquakes (Matt. 24:7) are only a type and shadow of Spiritual Pollution which is a much greater Pollution in that it is dealing with Eternal Life.

Pollution Foretold by the Scriptures

Let us now look into this matter of pollution from a scriptural and Divine aspect so as to ascertain the real meaning of why the problem exists, and what is its ultimate solution. When we refer to the Scriptures, the Law and the Testimony or Prophets, as we are admonished by the Holy Spirit speaking through Isaiah (Isa. 8:20), "To the Law and to the Testimony: if they speak not according to this word it is because there is no light in them." The Apostle Paul told the Galatians (Gal. 3:24-25) that the Law was a school master. Paul also told his son, Timothy, in the faith, that the Scriptures (Law and Prophets), were profitable for doctrine, for reproof, for correction, for instruction in righteousness: that the man of Yahweh may be perfect, thoroughly furnished unto all good works (2 Tim. 3:16-17, see also 2 Pet. 1: 19-20, John 5:39). In the following pages of this pamphlet we shall show by the Scriptures, beginning with the three trips of Moses into Mount Sinai, the Truth about Pollution and the Spiritual Solution.

In the 19th chapter of Exodus we find that in the third month after the Israelites came forth out of the land of Egypt they assembled around Mount Sinai in the year 1490 B.B.Y. Moses was called into the Mount and was told to have Israel to be ready against the third day when Elohim would speak to them the Ten Commandment Law from the Cloud atop the Mount, symbolizing Yahweh, the Father, speaking from Eternity. This was the First Covenant made with Physical Israel which stood only in meats and drinks and divers washings and Carnal Ordinances imposed on them until the time of Reformation (see Ex. 19:17, Heb. 9:10, also Plate #2, page 5). The Word (Elohim or Law) spoken from the Mount was Spiritual (Rom. 7:14), but was made Carnal when spoken to Physical Israel.

Thereafter, Moses ascended Mount Sinai the second time, along with Aaron, Nadab, Abihu and the seventy elders of Israel, and Moses along entered into the Phenomenal Cloud (Ex. 24:9-15), along with his minister Joshua the Son of Nun (who was really Yahshua), and they saw in a vision, Joshua, the Son of Nun transfigure before them into a Super Incorporeal Form or Great Heavenly Anthropomorphic Being (which was Elohim the Archetypal (Original) Pattern of the Universe, this is Yahweh in Super Incorporeal Form, (also identified as Yahweh-Elohim, the Word or Son), see caption, Plate #3, page 6.

In the realm of Eternity, Elohim created the Spirit Beings or the Angelic Host first, before He created the Physical Creation. Angels are Ministering Spirits, created to Serve, Honor, Obey and Glorify Yahweh (see Dan. 3:28; 7:27; Luke 1:19; Heb. 1:13-14). Elohim also created Lucifer, an evil angelic Spirit Creature, the Son of the Morning. Because of his great Beauty and Wisdom wherewith Elohim had created him, he lifted himself up or rebelled against Yahweh-Elohim. This caused a rebellion in Heaven (Pollution) among the angels and therefore, Lucifer and his host were found guilty before Elohim, and were cast out of Heaven into the Ethereal Darkness that surrounded the earth after the beginning of the physical creation. This was the Origin of Satan (Spiritual Pollution) the Evil Angelic Spirit Creature.

Then Moses saw this Great Heavenly Anthropomorphic Super Incorporeal Being instantaneously transform into a completely furnished three-fold intangible Tabernacle, which is a Divine Pattern, that Elohim admonished Moses to have the Children of Israel build in the Wilderness like the one he saw in the Mount, that He might dwell among them (see Ex. 24th and 25th chapters, also Plate #4, page 7).

While in the Cloud experiencing this Vision, Moses also saw Elohim the Archetype (Original) Pattern of the Universe, create the heavens and the earth (see Plate #6, page 9), fashioned according to this Three-fold Pattern of the Tabernacle (see Plate #5, page 8) including Adam, who was created on the sixth day with Eve contained within him. As you can see, Plate #6, that the Super Incorporeal Spirit Being (Elohim, the Archetype Pattern of the Universe) created from the Invisible Substance of Yahweh (Heb. 11:3), the Natural, Physical, Earthly, Visible Creation, to show and prove the Supernal Nature (Godhead) and Purpose of the Creator, YAHWEH, which is Spirit, Invisible (Rom. 1:19-20; 2 Cor. 4:18). The Visible, Earthly Creation is a Type of Shadow (Reflection) of the Real Yahweh-Elohim which is Invisible Eternal Immortal Substance.

After Elohim had finished creating the physical creation this evil Incorporeal Creature (Lucifer) entered the Garden of Eden. He is the Prince of the Power over all Christendom, Ecclesiastical and Political in the earthplane (Psa. 24:14; 2 Cor. 4:4; Eph. 2:2; Eph. 6:12; 2Thes. 2:9). When Yahshua the Messiah was led by the Spirit into the Wilderness, Lucifer or the Devil taketh Him into a high mountain and showed Him the Kingdoms of the World in a moment of time. And the Devil said unto Him, All this power will I give thee, and the glory of them: for that is delivered unto me; and to whomsoever I will I give it (see Luke 4:5-6). Before Moses descended the Mount he saw Elohim form the woman out of a rib (and womb) of Adam's body (see Gen. 2:21-23) and they both resided in the Garden of Eden in a peaceful state, which is allegorical to heaven.

The Subject 'Pollution' Shall be Correlated with the Pattern and Seven Plates on Page 12

In order to further prove our subject "Pollution" and how Yahweh-Elohim is carrying out His Purpose by the Pattern of the Tabernacle; on page 12, we have selected eight plates from a forty plate chart of Historical (Biblical) events designed and operated by Yahweh-Elohim (Rev. 3:14), fashioned after the three-fold Divine Pattern of the Tabernacle to explain the validity and authenticity of our subject "Pollution". This Pattern can be applied to any subject because Elohim is the Archetype Pattern of the Universe, declaring the end from the beginning (see Isa. 46:9-10).

Plate #1, page 12, shows the interior of this Tabernacle Pattern with its furnishings and curtains. Plate #1A illustrates the Most Holy Place containing the Ark of the Covenant overlaid with gold with the two Archangels overshadowing the Mercy Seat with Elohim dwelling in the Cloud above. This symbolizes the Throne of Yahweh, overshadowed by the two Archangels with the Ten Commandment Law therein that governed physical Israel, symbolizing Yahweh-Elohim is Spirit Law.

Coming through the second vail (B) we entered the Holy Place (C) containing the golden Candlestick, the golden Table of Shewbread and the golden Altar of Incense, symbolizing an intermediate state--as Elohim.

Finally, coming through the first vail (D) we enter the Outer Court (E) with its brazen laver, the Holy Anointing Oil and brazen altar of sacrifice; symbolizing Elohim manifested in the flesh (Yahshua) or took on the likeness of sinful flesh, because of sin to condemn Sin in the flesh (Rom. 8:3). He was made to be sin for us, Who knew no Sin: that we might be the righteousness of Yahweh in Him (2 Cor. 5:21). It was here that the bullock was offered for sin sacrifice (a figure of Yahshua the Messiah, the One and Only Sacrifice), and the flesh, skin and dung (Pollution), was taken without the camp and burned, as the fleshly body of Yahshua was consumed (Ex. 29:14).

Spiritual Pollution Began in the Earthplane with Adam and Eve

When Moses' forty (40) day period in Mount Sinai was ended, he came down out of the Mount (Most Holy Place) with Joshua (Yahshua), and the two tables of the Ten Commandment Law (which Elohim had written) in his hands, and when he saw that the seventy elders, Aaron, Nadab, Abihu and Hur had not tarried on the Mount where he had told them to tarry (Holy Place; Ex. 24:14), and that they, with the Children of Israel had fashioned a golden calf and were worshipping it, he waxed angry and threw down the two tables of stone and broke them at the foot of the Mount (Outer Court).

After forty days, Moses was told by Elohim to come up again into Mount Sinai, the third time with his own tables of stone in his hands. He was then shown in a Vision how that Satan deceived Eve in the Garden of Eden (see Plate #15, page 12); and Adam was driven out of the Garden because he also ate of the forbidden fruit and willfully died for his bride, Eve (see and compare to Outer Court of the Tabernacle, Plate #1-E).

If Moses had seen the Adamic transgression before he came down out of the Mount the second time with Joshua (Yahshua), and the written tables in his hands, he would not have waxed so hot with Aaron and Israel in worshipping the golden calf, for he would have realized that Israel's foreparents, Adam and Eve had disobeyed and had sinned against Yahweh-Elohim. Therefore, it would not have been any surprise to Moses that Israel would have also disobeyed and sinned.

The Real Spiritual Pollution Began in Heaven with Lucifer and His Angels

This disobedience of Adam and Eve, and of Aaron and Israel were physical examples of the heavenly host which sinned in following after Satan and were cast out of heaven because of their transgression (see Plate #14, page 12 Angelic Transgression; Ezek. 28:12-20; Isa. 14:12-20; 2 Pet. 2:4; Jude 6; Rev. 12:4, 7-10). Furthermore, the disobedience of Satan and his angels in heaven points up the real genuine spiritual pollution which originated in Heaven (see and compare Plate #14, page 12 with the Most Holy Place of the Tabernacle Pattern, Plate #1), and with the casting out of Satan and his angels into the earth and their being incarnated in physical bodies (see and compare Plate #14E, page 12 with the Outer Court of the Tabernacle Pattern, Plate #1E). This brought about the pollution in the earth and in man. When Adam and Eve transgressed the Commandment of Yahweh-Elohim and ate of the fruit of the Tree of Knowledge of Good and Evil, their conscience was condemned or polluted and they knew that they were naked, and so death happened to them as Yahweh-Elohim charged them (see Plate #14E and 15E). And for this cause, Elohim cursed the Serpent and the ground for Adam's sake, and said that it would henceforth bring forth thorns and thistles unto him. The Apostle Paul speaks of this universal pollution which came about through the Adamic transgression, as all of the generations of mankind were in Adam's and Eve's loins at the time of their transgression, hence all mankind was defiled or polluted (Rom. 5:14). The Prophet David further stated that man was born in sin (pollution) and was conceived in iniquity (Psa. 51:5), until the Death, Burial and Resurrection of Yahshua the Messiah, when He made an end of Sin or Pollution.

This pollution of Men's conscience was manifested by Cain murdering his brother, Abel (Plate #16, page 12), and was later responsible for Yahweh-Elohim overthrowing the world with a mighty flood as wickedness increased in the earthplane (Gen. 6:5-7, Plate #19, page 12), after the flood Nimrod and his descendant went out and built the tower of Babel (see Gen. 10:10 also Plate #22, page 12), because their conscience were polluted, not believing that Yahweh promised not to destroy the earth again by water. Yahweh visited them, and confused their language (Babylon or Pollution).

The Mosaic Law Old Covenant with its Natural Laws and Ceremonies was Pollution

Later the Mosaic Law or First Covenant with the Jews was added which according to the Apostle Paul, was to point up sin and make it more exceedingly sinful, and to be a schoolmaster to lead Israel up to the Messiah. As we have already explained all the Israel including the High Priest broke this Old Covenant and were taken into Babylonian Captivity for seventy (70) years for their sins or idolatry.

This universal pollution was evidenced by the High Priest's having to go into the Most Holy Place, thrice on the Day of Atonement (Lev. 16th chapter) to offer the blood for his own errors (pollution), the errors of the people, and for the cleansing of the polluted sanctuary. As the Apostle Paul states in Hebrews 9:12-14, it was not possible for the blood of bulls and goats to cleanse a man's conscience but blood of bulls and goats to cleanse a man's conscience but it necessitated the precious blood of Yahshua the Messiah who was the Real Lamb of Yahweh without spot or blemish.

Yahweh knowing that the Law, which stood only in carnal ordinances, such as circumcision, water baptism, lord suppers, foot-washing, sabbath days, ten commandment law, sacrifices, ceremonies, etc., (being types and shadows that pointed to the Messiah that was to come), could not purge a man's conscience (Heb. 9:14). Therefore, Yahweh sent His only begotten Son, as a Lamb slain from the foundation of the world (Rev. 13:8), to fulfill (not institute) the law of carnal ordinances and nailed them to the cross (John 5:39; Col. 2:14; Matt. 3:14-15; Matt. 5:17-18; Luke 24:44; Heb. 10:7-9, see also Carnal Ordinance and Dispensational Chart, pages 10 and 11). These carnal ordinances which the Messiah did come and fulfill, to the jot and tittle and nailed to the cross (Col. 2:11-23), are being practiced by all Christendom, Jews, Roman Catholics and Protestants and others for which they shall be cast into the Lake of Fire (see Plate #37, page 12).

Nevertheless, Yahweh-Elohim had said through the Prophet Jeremiah that He would make a New Covenant after those days (after the death, burial and resurrection of the Messiah), with Israel which would not be like the Old Covenant, written on tables of stone, but would be written in the fleshly tables of the heart, not with ink, but with the Spirit of the Living Elohim (Jer. 31:31-34; 2 Cor 3:1-3, see also Plate #32, Pentecost, page 12).

Ten days after Yahshua's ascension to the Father, Yahweh, He sent the Holy Spirit in His Name into the Hearts and Minds of the Jews gathered at Jerusalem in A.D. 33, about 9:00 o'clock in the morning (Acts 2nd Chapter). This writing of the New Covenant (which is spiritual) in the Jews hearts and minds in A.D. 33 and seven years later in the Gentile's hearts and minds at Caesarea (Acts 10th chapter), is the epochal happening which cast out the pollution or sins in their hearts and minds and cleansed them up by the Blood of Yahshua, who through the Eternal Spirit offered Himself without spot to yahweh; purge your conscience from dead works (of the Law of Carnal Ordinances) to serve the Living Elohim (Heb. 9:14).

This was in fulfillment of the Promise that Yahweh-Elohim made with Abraham when He promised that in His seed (Yahshua the Messiah), He would bless all the families of the earth (both Jew and Gentile, see Gen. 17th chapter) and would multiply his seed as sand of the sea and stars of heaven in multitude (see chart, Old Testament Fulfilled and New Testament Established, page 11, also Present Age on the Dispensational Chart, page 10).

What the Pollution is that is in the World Today

Nevertheless, Satan whose job it is to oppose Yahweh, maintains that we should continue in the physical types and shadows and carnal ordinances, such as, water baptisms, Lord Suppers, foot washing, sabbath days, Ten Commandment Law, ceremonies, etc. which were under the Mosaic Law, given to Jews only not Gentiles. By so doing the clergy has denied that Yahshua the Messiah died on the cross to fulfill them and move them out of the way (Col. 2:14). This continuance of worshipping Yahweh in these physical and carnal things is the Abomination of Desolation spoken of by the Prophet Daniel (Dan. 9:26-27; Matt. 24:15), and is the real genuine Pollution which is in the world today. (See Plate #37, page 12, also Carnal Ordinances and Dispensation Chart, page 10 and 11). It reaches to heaven itself, and is a stench in the nostrils of Yahweh-Elohim. The Apostle Peter states, "For if, after they have escaped the pollutions of the world through the knowledge of the Saviour, Yahshua the Messiah, they are again entangled in it, and overcome, the latter end is worse with them than the beginning" (2 Pet. 2:20).

The Pollution in the World Today Compares to the Tabernacle Pattern

We can therefore, see according to our Tabernacle Pattern how that the air (Most Holy Place), water (Holy Place), and land (Outer Court) would display this pollution, for it takes the visible things to show forth of the invisible things (Rom. 1:19-20). It will take nothing less than the revelation of Yahshua the Messiah from heaven to clean up this Pollution in men, by granting them Eternal Life Now, according to the riches of His glory, by His Spirit in the inner man (Eph. 3:16); and bring about a new heaven and new earth in which there will be no pollution. Man-made Laws, financial appropriations, etc. cannot and will not do the job, Yahweh has Purposed it to be this way, and He is carrying out His Council (not eccumenical council or united nations council) according to His Own Good Will.

Most Holy Place -- Air Polluted

Holy Place -- Water Polluted

Outer Court -- Land Polluted
